Address: 1-5 Miller Street, Coniston NSW 2500

We acknowledge Australian Aboriginal and Torres Strait Islander People as the traditional custodians of the land and also pay respect to Elders both past and present.

ITeC Academy is situated on Dharawal Country.

ITeC Academy ▶ Accredited Training

ITeC Academy cares about our students. We want to ensure all participants in our courses are supported and gain the knowledge, understanding and skills required to succeed in their chosen field. We do this by limiting class sizes, hiring industry professional trainers, ensuring our equipment, software and course content is up to date and relevant and by providing a safe learning space.

We offer accredited vocational training courses for a range of industries including Aged Care, Entertainment, Construction, Business and Hospitality. In addition, we also offer short courses, workshops and skill-sets.

Our accredited courses are offered with a range of learning modes including; blended delivery incorporating virtual and in-person classes, full face-to-face classes at our Wollongong training facility and self-directed options including recognition of prior learning.

ITeC ACADEMY - RTO: 90456

Government Subsidised Training

* Smart and Skilled ▶ NSW

If you're a prospective student you may be able to get subsidised training for selected courses through the NSW Government program, Smart and Skilled. You can contact Smart and Skilled by visiting smartandskilled.nsw.gov.au or calling 1300 772 104.

To be eligible, you'll need to be:

- At least 15 years old
- No longer at school
- Living or working in NSW
- An Australian citizen or permanent resident, humanitarian visa holder or NZ citizen.

You may be eligible for fee exemptions in a Smart and Skilled course if you're:

- An Aboriginal or Torres Strait Islander student
- A student with disability
- An Australian Government welfare recipient.

Get Smart ▶ Get Skilled

*Please note:
Fee exemptions/
concessions may
apply for eligible
applicants including
Job Trainer.*

ITeC Academy has a current contract in place with the ACT government to subsidise selected Aged Care training courses.

ACT Traineeships (User Choice) - This training is funded by ACT Government in partnership with the Commonwealth Government.

ACT Skilled Capital - Skilled Capital is an ACT Government training initiative, funded by the ACT and Australian Governments.

Tania Tsiamis - General Manager

As the first General Manager of ITeC Academy, it's with great pleasure that I write this inaugural introduction. "Great minds think alike" has become our catchphrase as Illawarra ITeC and IRT Academy join forces to become one provider of vocational skills development.

Our mission is to provide quality training services that enable our students to embark on, and grow in, solid careers in strong industries. Our values; Integrity, Respect and Trust will hold us true to that mission.

With the announcement of \$600 million to be included in the 2024-2025 Federal Budget to strengthen capability in the construction and clean energy sectors, ITeC Academy is well positioned to be a key provider in this space, leveraging over 30 years' experience as a respected registered training organisation.

As one entity, ITeC Academy will be offering courses spanning diverse sectors including;

- Construction
- Music, Screen and Media
- Aged Care
- Hospitality
- Business
- Leadership and Management

Our trainers are the best in the business, with extensive experience and expertise in their respective fields and finely tuned capabilities to meet the individual needs of our students. We round out our student experience with support and guidance from our learning administration team.

Growth and targeted engagement with businesses large and small, is a key priority as we realise our objective of becoming more widely recognised as a known and trusted partner, building the workforces of today and the future.

I look forward to welcoming you to ITeC Academy.

Tania Tsiamis - General Manager

Prepare for a career in CARPENTRY & JOINERY

A practical course with underpinning theory to prepare students for a career in trades, building and construction.

Learn the requirements to work safely in a building and construction environment including understanding Work Health & Safety (WHS) requirements and the regulations.

You will learn the correct handling, use, maintenance, and storage requirements for a range of hand and power tools including compound mitre saws, sanding tools, chisels, bevels, squares, tape measures, electric planes, measuring and levelling equipment and more.

A selection of projects will enable students to plan and prepare for each task and will include interpreting construction documentation such as sketches, plans and specifications.

TRADIE TASTER PROGRAM

- **CARPENTRY**
- **CONSTRUCTION**
- **CIVIL CONSTRUCTION**
- **BRICKLAYING**
- **PLUMBING**

ITeC's 'Tradie Taster' Program is the perfect hands-on introduction to the fast-growing and diverse world of the Trades sector, engaging hands and minds, and thinking critically and creatively. The programs on offer will allow students to get a "taste" of a range of trades to enable them to get a better understanding of the skills required to obtain employment in that trade.

Specifically designed for secondary school students, community groups and disengaged youth, and with a choice of 1, 2 and 3-day programs, these interactive courses taught by skilled and qualified industry professionals will see participants learning about safe work practices, handling of tools, and completing a small trades project.
