

LEADING DIFFICULT CONVERSATIONS & MANAGING WORKPLACE RELATIONSHIPS PROGRAM

Are you ready to elevate your team's performance and foster a cohesive, goal-oriented work environment? Join us for an immersive one-day workshop designed to equip you with the tools and techniques to lead your team toward shared success.

WHO SHOULD ATTEND:

Managers, Emerging Managers, Supervisors & Team Leaders:

Perfect for those looking to enhance their leadership skills and align their team's efforts with organisational goals.

Project Managers:

Individuals who manage cross-functional teams or projects and need to improve leadership in managing diverse teams and influencing without direct authority.

Business Owners:

A must-attend for business owners aiming to improve overall company cohesion and productivity.

Overall, these improvements will help you lead your business more effectively, drive growth, and achieve your strategic goals with greater confidence and efficiency.

WHAT YOU WILL LEARN:

- Techniques for aligning your strategic plan with organisational objectives.
- Effective communication strategies to support alignment and execution.
- Building trust and fostering collaboration within your team.
- Methods for overcoming resistance to change.
- Practical tools and templates to implement with your team.
